Space Shuttle Discovery set to launch Thursday

Space Shuttle Discovery is set to launch at 4:38 p.m. CDT Thursday on its 12-day STS-105 mission. This mission will deliver the Expedition Three crew and a host of supplies and scientific racks and experiments to the International Space Station. Discovery also will return the Expedition Two crew to Earth, ending more than five months in orbit. Discovery is expected to land at 12:17 p.m. CDT Aug. 21 at Kennedy Space Center, Fla.

Check out status of Space Station on the Web at:
